The 2023 Japan Electronic Trading Conference

The Japan Electronic Trading Conference returns in October 2023! Produced by FIX Trading Community, the non-profit, industry standards organisation at the heart of the global trading community, the event is formulated 100% by senior representatives of firms active across the Japan region. As with all FIX events, this conference is known for its high-quality speakers, topical issues and being a neutral platform for market participants, policy makers and regulators to interact and discuss issues and ideas.

Conference facts and figures

- 500+ people in one location
- An agenda created by senior industry experts
- An industry event without sales pitches
- Great learning and networking opportunities
- FREE passes for all FIX members
- 40+ industry expert speakers
- Networking between exhibitors and delegates
- A full-day agenda covering both business and technical topics across multiple asset classes

Sponsorship opportunities at FIX events are renowned for providing extensive exposure for participating firms and excellent value for money. FIX Trading Community continually seeks to assist sponsors in getting maximum return from their budget.
